Subject: Cultural Resources Concurrence Request, Kennecott Utah Copper, LLC; Bonneville Borrow Mine, M/035/0046, Salt Lake County, Utah

Dear Ms. Hunsaker:

The Division of Oil, Gas and Mining has received a proposal from Kennecott Utah Copper, LLC to conduct large mining operations in Section 31, Township 1 South, Range 2 West, and Sections 25 and 26, Township 1 South, Range 3 West, Salt Lake County, Utah. Enclosed with this letter is a copy of the cultural resources survey report provided by the operator.

The survey for cultural resources found a railroad spur and two rock and concrete walls which the consultant recommended as not being eligible for listing in the National Register of Historic Places.

Accordingly, the Division of Oil, Gas and Mining has determined that there will be **No Adverse Effects** to significant cultural resources, and we seek your concurrence with this determination.

Thank you for your assistance. Please call me at 801-538-5261 if you have questions about this request.

Sincerely,

Paul B. Baker
Minerals Program Manager
